AGENDA ITEM   

WORK SESSION ITEM   

**TO:** Mayor and City Council

**FROM:** City Manager

**SUBJECT:** Establishment of Committee To Plan City of Hayward Birthday Celebration

As noted at the September 19 worksession, on March 10, 2001, the City will be celebrating its 125<sup>th</sup> birthday. At the Mayor's suggestion, the Council discussed forming a Committee to plan an appropriate event. It was suggested that each Councilmember appoint two individuals to serve on this Committee, and that a role be provided for the Historical Society as well.

The item appears on the agenda this evening to enable the Council to determine if it wants such a Committee. In addition, in anticipation of an affirmative response, Councilmembers were urged to be prepared to present the names of their appointees at the meeting.-
